   Yeah, I still lost pretty badly though.
6. Was the board updated in real/reasonable time?
   Yup.
7. Could you easily hop into a new game after completing one?
   Sorta, it was kind of tricky to make sure you didn't accidentally close the game.

   Not at all.

   Only adding a connect button or maybe being able to double click someone's name and connect instead of typing out a command every time.
10. Were there any changes to gameplay that you wish could be implemented? Explain.
    Gameplay was fine, maybe adding a more interesting color scheme or graphics would make is nicer to look at.
